

WHERE ARE THEY NOW?
Burial places of officers, physicians, and other military notables of the
Great Sioux War

compiled by

Paul L. Hedren

Introduction

The names in this “Where Are They Now?” compilation are drawn from *Great Sioux War Orders of Battle: How the United States Army Waged War on the Northern Plains, 1876-1877* (Norman, Okla.: Arthur H. Clark Company, 2011), which acknowledges in context every officer and physician engaged in this Indian war. The intent here is to identify the dates of death and burial places of these individuals. The ranks and affiliations given are timely to the war, not to later service. The dates of death and burial places provided are largely drawn from the sources noted at the end. Details that are probable but unconfirmed are noted within parentheses. This compilation is a work-in-progress and I welcome additional information and/or corrections and will strive to keep the file current. Please write me in care of <plh76@cox.net>.
